25X1 Comment. The three 37-mm AA guns seen outside the AAA section
 25X1 of the barracks installation possibly are guns of the AA battery of
 25X1 the 106th Gds Hvy Tank SP Gun Regt stationed in Kargan. The BA-64
 25X1 armored reconnaissance vehicle is also believed to belong to this
 25X1 regiment.

25X1 Comment. This information from Korneuburg and Stockerau contains
 25X1 no new observations.

25X1 Comment. The four tanks entering Camp Spratzern are believed
 25X1 to belong to the 150th Tank SP Gun Regt, as well as probably the
 25X1 four trucks occupied by troops wearing red-bordered black epaulets.
 25X1 These soldiers may have been recruits who possibly have to perform
 25X1 advanced combat rifle firing practices in the course of their training.
